National Board Capacity Certification Number 02002 (AQT)

September 9, 2024

Aquatrol, Incorporated
600 East North Street
Elburn, Illinois 60119
United States

Dear Eric Lambert,

Tests were performed at the National Board Testing Laboratory for the below Capacity Certification, as required by the Sections of the ASME Code listed in the scope below.

Based on the tests referenced below:

Aquatrol, Incorporated is hereby granted Capacity Certification and authorization to apply the "NB" mark and ASME Certification mark with the applicable designator to the valve type listed below. This authorization is only valid for the above location and only while the organization is fully implementing its quality control system as accepted by the National Board.

SCOPE OF CERTIFICATION

Capacity Certification Number: 02002

Valve Type: 88A, 89A

ASME Code Designator(s): UV

Media: Air, Gas

Organization Type: Manufacturer

Manufacturer: Aquatrol, Incorporated

Certified Rating Value/Sizes/Pressure Range: As listed in the [NB-18](#)

Expiration Date: November 26, 2030

Please feel free to contact us with any questions.

Sincerely,

Heidi Metzmaier
